Skoolbag App
I hope the 36 users of our Skoolbag app are finding it useful for keeping up to date with school events and information. You may also have noticed that you can submit absence notes to the school email address if your child is absent from school. I hope more parents will take advantage of the extra service we are providing for you. The App can be downloaded from the Apple store for iPhone users or the Google play store for Android users.

Inquiry-based Learning Project
Ms Meredith, Reanne, Zach and James from 56M have been working on a special inquiry-based project funded by the University of Wollongong this term. Today the 3 students presented their project, at the Uni, to the other schools involved. Our project was about the importance, to our planet, of honeybees. The students spoke very well and were very knowledgeable about their project. Congratulations Reanne, Zach and James and thank you Ms Meredith for organising this opportunity for the students.

Thank you 45B the funniest class in Cringila!! I really enjoyed not only the jokes but also the character parts played by the students. A good belly laugh releases lots of “feel good” endorphins into your system so thank you for making me feel good.

Xmas Donations
The P&C are collecting donations of nonperishable items to make up a Christmas hamper to be donated to a local charity. A basket will be in the foyer if you would like to donate something for the hamper.

For Christmas this year the staff has decided to donate to a good cause instead of buying Christmas gifts. The charity we have chosen builds school in Burma where education, unfortunately, is not a priority.

Ready for high school
Just to let you know that the Transition to high school, Ready for High School Checklist is now available in 36 languages.
