Well done 3/4I, for your entertaining assembly item. Very confident acting and narration of your play and what a great message it had, how to be resilient and keep trying even though sometimes things are difficult.
Responsibility
We are focusing on the Responsibility section of our behaviour matrix this term with the aim of getting students to think about how they can manage their own behaviour and be responsible for their actions. All families should have a copy of the matrix at home to refer to and it should be a useful tool for you to use at home also. Students will receive awards from teachers for being responsible class members.

RESPONSIBILITY
• Manage your own behaviour
• Look after yourself, others and the environment
• Stand up for your rights and the rights of others
• Do what is right and good

• Take responsibility for your own behaviour
• Communicate clearly
• Look after people, property and the environment
• Act safely

• Be an independent worker
• Complete tasks
• Be prepared
• Put things where they belong
• Move around the room safely

• Be in the right place at the right time
• Sit down in the COLA to eat
• Put your rubbish in the bin
• Wear a broad-brimmed hat in the sun
• Move through the school sensibly
• Tell the teacher on duty when there is a problem
• When the bell rings move to the toilet or COLA straight away

Term 4 Sports Program
Our term 4 sports program starts this Friday with tennis and as usual the students need to have paid for this by the day before Thursday. Tennis goes for 4 weeks followed by ten pin bowling, we would like all students to attend so please make sure notes and money are in on time. Once again the School Swimming Program will be run in weeks 8 & 9 for non-swimmers in Yrs 2-6. As we all know it is very important for all Australians to learn to swim and this program is a perfect opportunity to introduce the children to water safety and basic swimming. We are only allocated 75 places for thus program so please make sure your child has returned their note and money.

School Gates
To solve many Work Health & Safety and duty of care issues we are installing electronic gates on the car park and the pedestrian walkway. As soon as they are installed the car park and the pedestrian gates will remain closed during the day. The pedestrian gates will be closed at 9.15am and opened again at 2.55pm. In case of emergencies the gates can be opened from the office, there will be an intercom on the gate for early pick-ups and late arrivals.
