We are looking forward to welcoming our Grandparents on Thursday for classroom visits and morning tea to celebrate Grandparents Day. Our classrooms will be open from 10am and we will be able to enjoy morning tea from 11.00. The P&C will be kindly providing tea, coffee and cakes for our visitors in the Outdoor Kitchen from 11am.

This term we get ready to welcome our new Kindergarten students for 2015. If you are aware of any child who is eligible to attend school and hasn’t yet let us know, please tell them to contact the office.

Term 4 Sports Program

Our term 4 Tennis program concludes next Friday. Tennis goes for 3 weeks followed by ten pin bowling, we would like all students to attend so please make sure notes and money are in on time.

Once again the School Swimming Program will be run in weeks 8 & 9 for non-swimmers in Yrs 2-6. As we all know it is very important for all Australians to learn to swim and this program is a perfect opportunity to introduce the children to water safety and basic swimming. This program is now FULL. Please ensure that your child returns their blue swimming note ASAP to their classroom teacher.

Well done 34W, for your entertaining assembly item. It was great showcasing all the wonderful things we do and have here at Cringila Public School. Coming to Cringila Public School really does help us have the Best Days of our Lives.
Responsibility

We are focusing on the Responsibility section of our behaviour matrix this term with the aim of getting students to think about how they can manage their own behaviour and be responsible for their actions. All families should have a copy of the matrix at home to refer to and it should be a useful tool for you to use at home also. Students will receive awards from teachers for being responsible class members.

RESPONSIBILITY

• Manage your own behaviour
• Look after yourself, others and the environment
• Stand up for your rights and the rights of others
• Do what is right and good

• Take responsibility for your own behaviour
• Communicate clearly
• Look after people, property and the environment
• Act safely

• Be an independent worker
• Complete tasks
• Be prepared
• Put things where they belong
• Move around the room safely

• Be in the right place at the right time
• Sit down in the COLA to eat
• Put your rubbish in the bin
• Wear a broad-brimmed hat in the sun
• Move through the school sensibly
• Tell the teacher on duty when there is a problem
• When the bell rings move to the toilet or COLA straight away

EDA Program

This term Mr Brown has kindly donated his time to deliver a variety of programs to the students in Years 3-6 free of charge. Stage 2 students have participated in the “I’m choosing kind:” Stage 2 connection and mindfulness program. This saw the students engaging in games and activities focused on the benefits of kindness towards self and others, and how this allows us to foster deeper connections within our various communities. Stage 3 participated in a camp adventure day at school. The students participated in games and challenges that focused around teamwork and creativity and problem solving. We thank Mr Brown for providing these opportunities to the students at Cringila Public School.

School Gates

To solve many Work Health & Safety and duty of care issues we are installing electronic gates on the car park and the pedestrian walkway. As soon as they are installed the car park and the pedestrian gates will remain closed during the day. The pedestrian gates will be closed at 9.15am and opened again at 2.55pm. In case of emergencies the gates can be opened from the office, there will be an intercom on the gate for early pick-ups and late arrivals.
Cringila Community Co-op
Cringila Large Hall has recently been renovated, including new timber polished floors and freshly painted and is now available for hire for birthdays, engagements, weddings, christenings, meetings and all special events.
