Term 4 Week 7 16th November 2015

Christmas Toy Raffle
$1

Term 4 Sports Program
Some champions are emerging at ten pin bowling so there will be strong competition for the trophy. Hopefully the weather will warm up ready for the start of Swim School and Surf Awareness programs in Week 8.

In2Uni
On the 6th of November, year 6 travelled to the University of Wollongong to participate in the Students In2Uni program. This program is for Stage 3 students and aims to start the conversation with students about higher education. It gave our children the opportunity to experience university, interact with university students and staff and think about why they might like to consider study beyond school. Year 6 explored the possibility of a career in Science as they participated in the liquid nitrogen workshop and enjoyed a taste of what it might be like to study languages in the tricky tongue-twisters workshop. After lunch the students opened their umbrellas and stepped outside to familiarise themselves with the enormous University of Wollongong campus in a Scavenger Hunt. Year 6 were amazed to learn that the university is so big it even has it’s own postcode! I would like to congratulate the students for their exemplary behaviour. They were model ambassadors for Cringila Public School and our community. I would also like to thank the parents that came along. Your ongoing support, enthusiasm and interest in your child’s education will play a pivotal role in seeing them achieve their future goals.

Thank you K1B for your presentation and great singing. I think we’re all looking forward to a day when we don’t have to do anything. Great announcing Laila!

P&C AGM

Unfortunately due to lack of participants we had to re-schedule our P&C Annual General Meeting last Thursday. The new date is Monday 30/11 at 9am so please come along and support this committee. In the past the P&C have provided funds for library and class books, subsidies for shows and excursions and support for many other programs and fun events, if we do not have the support of the parent body our school will not have a P&C committee next year. It is not a huge commitment so if you can please come along to the meeting.

This Tuesday is the last P&C lunch for this year, hopefully, with support it will continue next year.
**Personal Best**
We are focusing, once again, on the Personal Best section of our behaviour matrix this term with the aim of getting students to think about how they participate at school and being the best student they can be. All families should have a copy of the matrix at home to refer to and it should be a useful tool for you to use at home also. Students will receive awards from teachers for showing their personal best.

**PERSONAL BEST**

- Do your best
- Be honest and truthful

- Pay attention
- Think before you act
- Try to be the best you can be
- Be honest

- Have a go
- Strive for accuracy and quality work
- Think and ask questions
- Be open to learning new things

- Do your best to join in and play fairly
- Learn and follow the rules to games
- Help solve problems in a sensible manner
